This year our winter youth indoor league will run mid December – February. The cost is \$60 per game and each team will have 8 games plus playoffs. Registration fee is \$25

If games are cancelled due to bad weather, The Soccer Academy will make the final decision of when and if the games may be rescheduled.

If your team is interested in participating in our indoor season, please fill out the following information and mail it back to us as soon as possible with a \$25 deposit. The \$60 will be due before the each game. The completed roster as well as a waiver on each player must be turned in before the first game.

.....About The Soccer Academy.....

The Soccer Academy was built in 1984, and was the first indoor arena in Georgia. Until this point, youth and adult players played in gymnasiums. Everyone now has the opportunity to compete in an arena that is very similar to pro style arenas. The Academy has two indoor fields. The large field is 155' by 85' and is surrounded by plexi-glass. The small arena is 80' by 40'. Both arenas have artificial turf.

Located inside the Academy is Soccer Corner. This store has also been in business for 27 years. It supplies shoes, equipment and uniforms for coaches, players and referees. With Soccer Corner's convenient hours customers should have no problem finding a time to come by and see all the merchandise targeting soccer fans.

The Soccer Academy has been a place where people can come and enjoy what they love to do and that is **PLAY SOCCER**. If you want to experience America's fastest growing sport and see non-stop action, the Soccer Academy is the place to be!
