

Dear Coach/Manager,

It will be getting cold outside; seasons will be winding down; and what can your team do? We are very pleased to offer winter youth indoor soccer at the best place to be, The Soccer Academy in Lilburn. Indoor soccer is not only exciting and fun, but it will help your players improve their foot skills, physical fitness and mental awareness. This winter youth indoor will begin in December. The season will end in February. The cost is \$600.00 and each team will have 7 games.

The top teams will compete in a playoff match at the end of the season. Top 2 teams will receive trophies.

If games are cancelled due to bad weather, The Soccer Academy will make the final decision of when and if the games may be rescheduled.

If your team is interested in participating in our indoor season, please fill out the registration form and mail it and the team deposit of \$100 back to us by December 1st. The remainder \$500 team fee will be due December 10. The completed roster and release forms will have to be turned in at the first game. If there is a question on a player's age, proof of the child's birth must be provided. Once you are registered we will send you indoor rules and a team roster. **If you have any questions please email Natalie@soccertsa.com or call us at (770) 925-4404-office or Natalie's cell phone (770) 652-0815.**

Space is limited, so registration is based on a first come first serve basis. We appreciate your business and are looking forward to hearing from you.

Sincerely,

Natalie Daniel
Complex Manager

.....About The Soccer Academy.....

The Soccer Academy has provided winter youth indoor for 25 years. Everyone has the opportunity to compete in an arena that is very similar to pro style arenas. The Academy's large arena is 155' by 85' and is surrounded by plexi-glass and has artificial turf. The Soccer Academy is individually owned and operated, therefore giving teams that special attention they deserve.

Located inside the Academy is Soccer Corner. This store has also been in business for 25 years. It supplies shoes, equipment and uniforms for coaches, players and referees. With Soccer Corner's convenient hours customers should have no problem finding a time to come by and see all the merchandise targeting soccer fans.

The Soccer Academy has been a place where people can come and enjoy what they love to do and that is **PLAY SOCCER**. If you want to experience America's fastest growing sport and see non-stop action, the Soccer Academy is the place to be!
